Flat panel floor stands

The 1000 series Flat panel floor stands

The most stylishly designed flat panel floor stand in the world.

Audipack®

It's great to have solutions...

Just that extra little

bit of class

Ideal for your reception area or just for extra 'wow' during your presentation.

The Audipack 1000 series flat panel floor stands for screens up to 90 inch.

The 1000 series stands out with its high finish level and class. The floor support comprises a high gloss black floor plate and a sturdy but stately rectangular column.

Combined with the Audipack flat panel monitor installation brackets, it offers a minimalistic look.

Available for 32-65" and 65-90" screen sizes.

To install your flat panel to an Audipack product an additional flat panel bracket is needed.

See "Mounting brackets for flat panels" section on page 43 for an overview of the available brackets.
