*the **NEW** way of presenting*

The Beam-Car,

a presentation and transport solution in one.

Audipack®

It's great to have solutions...

The **Beam-Car**, the *NEW* way

of **stylish** presenting...

The Beam-Car is the ideal solution for flexible presenting on any location.

The Beam-Car lets you install a free standing projector, at any desired height and with a freely adjustable presentation angle.

In the stored position you can use the Beam-Car as a trolley for your projector and laptop, all fitting in an Audipack flight case.
